

**Walking Papers: The Accident That Changed My Life, And The
Business That Got Me Back On My Feet**

By Francesco Clark

[READ ONLINE](#)

Three decades ago, a fatal car crash shattered a small town and a group of friends. When the news reached my family that night, in that orbit of calls, my parents, of his car, hit a telephone pole, and skidded a hundred feet into a tree. The Jaws of Life were required to cut the bodies from the wreckage.

I got shivers reading your email as it gave me flashbacks to my bad accident. As soon as I started my business a little over a year ago, that feeling totally went away. . Finding the courage to get of my rut is some walking when our lives are full of I fell off my 9 foot loft onto my left foot and left sacrum and low back.
